In addition to *the concrete benefits* listed above, as a member you have the opportunity to offer your leadership at the local, state or national level when you get involved. ADHA/WSDHA/Components represent you at all three levels and the possibilities for your input and leadership are unlimited!

You can make contributions to your community's oral health standards through professional activities with WSDHA and your components. Professional membership builds an identity for you and the dental hygiene profession.

ADHA on the national level and WSDHA on the state level, both work to protect and further the profession of dental hygiene. WSDHA offers you **VoterVoice** updates on legislation of interest in Washington State. VoterVoice gives you direct access to your representatives through email.
