March	19-23	Lakewood
March	26-30	Lakewood

Peter Grieser, DDS & Marj Olason

This year, the SmileMobile traveled to 29 communities and with the help of volunteers: 49 dentists, 17 hygienists and 38 assistants provided care to over 2,000 children.

Your gift of time and expertise can make a big difference to children from low-income families who don't have access to dental care, as well as bring positive recognition to your practice and our profession.

"I was recently blessed with the opportunity to work alongside my employer and the dedicated staff of the Smilemobile in the community of Vaughn, on the Key Peninsula. I would like to encourage others within the dental community to step up and use your gifts and talents to take care of those who have no other resources. The patients are so grateful and they remind us of why we chose to become dental professionals. We are all called to serve those with the greatest needs".

*Grateful to have served,
Marj Olason, RDH*
